Co-funded by the Erasmus+ Programme of the European Union

This project has been funded with support from the European Commission. This publication [communication] reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Modernisation of Master Curriculum in ICT for
Enhancing Student Employability (MaCICT)

WHAT ARE YOURS BENEFITS?

MASTER STUDENTS

Training in innovative techniques
International projects participation
English skills improvement
Compliance with EU and Belarus labor market requirements
Entrepreneurship training
Training based on real companies' projects
And of course you increase the chance of receiving a job

TEACHERS

Actual and modern materials
Innovative techniques
Workshops from EU teachers
Improving skills in curriculum development
Experience exchange with colleagues

COMPANIES

Curriculum development participation
Problem solving in the context of real projects
You can articulate a theme of master's theses
An opportunity to find highly qualified specialists

And the most important!
Each of you can influence the project!
Send a feedback, help to create a course together, etc.

Join us right now!
