» About 1000 training materials for free

Co-funded by the Erasmus+  
Programme of the European Union

Modernisation of Master Curriculum in ICT for  
Enhancing Student Employability (MaCICT)

## WHAT ARE YOURS BENEFITS?

### **MASTER STUDENTS**

Training in innovative techniques  
International projects participation  
English skills improvement  
Compliance with EU and Belarus labor market requirements  
Entrepreneurship training  
Training based on real companies' projects  
And of course you increase the chance of receiving a job

### **TEACHERS**

Actual and modern materials  
Innovative techniques  
Workshops from EU teachers  
Improving skills in curriculum development  
Experience exchange with colleagues

### **COMPANIES**

Curriculum development participation  
Problem solving in the context of real projects  
You can articulate a theme of master's theses  
An opportunity to find highly qualified specialists

And the most important!

Each of you can influence the project!

Send a feedback, help to create a course together, etc.

Join us right now!
